## Notes

1. Please complete in **BLOCK LETTERS**. For detailed information, please visit <http://www.afcd.gov.hk> or enquiry at (852)21507063 during office hours or Fax (852)23753563.
2. The certificate must be positively correlated to the animals being certified by inclusion of the identifying microchip details.
3. Part A, B and C in this certificate must be fully completed by the concerned parties: part A by the pet owner / consignor; part B by the examining veterinarian; part C by the government veterinary officer. Any amendments or corrections made to the certificate must be stamped **and** signed otherwise the certificate may be deemed void. Please note that any variation of the form or incomplete form may cause the animal to be quarantined for up to 6 months at the owner's risk and expense.
4. This certificate is cater for one animal only and is valid for 14 days from the date of issue by the examining veterinary surgeon.
5. This certificate must be signed and stamped by either:
  - (a) a full time salaried government veterinary officer in part B and C;
  - or (b) a registered veterinary surgeon in part B **and** endorsed by a full time salaried government veterinary officer in part C.
6. It is advisable that the whole vaccination history/all relevant documents of the animal (including rabies vaccination history) could be presented to this Department on arrival; in case there is any query on the vaccination status of the animal.
7. Animals less than 5 months old are subject to post arrival quarantine until they reach that age. Animals less than 2 months must not be imported into Hong Kong.
8. To facilitate correct certification it is strongly recommended that our Form (**Form No. :VC-9R**) be used for those purposes.
9. This certificate is specified for the use of exporting dogs and cats to Hong Kong from the following 40 countries/places (Group II countries/place).

Austria	Bahamas	Bahrain	Belgium	Bermuda
